

About Living Well Church

We believe God is the source of life and all truth, and that we were lovingly created to live in relationship with him through Jesus. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental, and relational. We believe that all truth is God's truth, and value relationships with all people including Agnostics, Atheists, adherents of non-Christian faiths, and followers of Jesus. We believe the church is people, not property. Currently we meet in a mini-mall in downtown Dixon, Illinois and have an active online community. We started September 11th 2005 in a hotel conference room, then moved to a movie theater for about 3-1/2 years. We have been in our current location for the last 5 years. We do not claim the space we meet in as "ours" or "sacred", but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and toward discovery of the joy in being a catalyst of His help and healing in the lives of others.

What we do: Lead in the discovery and application of God's truth or every area of life.

Mission Statement

Lead in the Discovery and Application of God's truth in every area of life.

Words of Welcome

Welcome to worship in the name of God the Father, his beloved Son, Jesus, and the Holy Spirit, who descended as a dove at Jesus' baptism. May we all sense God's touch today.

Preparation for Worship

May we always live "soaking wet" in the waters of baptism. May worship today refresh us for living out our faith all week.

Dying to See Jesus

At age 20, George Ritchie fell gravely ill and was pronounced dead. Amazingly, he revived, convinced he'd had what some call a near-death experience. Ritchie's return to physical health left him longing so deeply to experience the Holy again that he prayed to die.

Some 15 months later, as an army medical technician, Ritchie became consumed with the care of a particular patient. Then he had an epiphany, recounted in Return From Tomorrow (Chosen Books): "If I wanted to feel the nearness of Christ ... I would have to find it in the people that He put before me each day. ... in caring for [Jack] I had lost sight of myself. And in losing myself, I had discovered Christ.

"I wondered if we always had to die, some stubborn part of us, before we could see more of Him ... to stop trying to recapture that otherworldly vision of Jesus, and start looking for Him in the faces across the mess table."
