

About Living Well Church

We believe God is the source of life and all truth, and that we were lovingly created to live in relationship with him through Jesus. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental, and relational. We believe that all truth is God's truth, and value relationships with all people including Agnostics, Atheists, adherents of non-Christian faiths, and followers of Jesus. We believe the church is people, not property. Currently we meet in a mini-mall in downtown Dixon, Illinois and have an active online community. We started September 11th 2005 in a hotel conference room, then moved to a movie theater for about 3-1/2 years. We have been in our current location for the last 5 years. We do not claim the space we meet in as "ours" or "sacred", but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and toward discovery of the joy in being a catalyst of His help and healing in the lives of others.

What we do: Lead in the discovery and application of God's truth or every area of life.

Lead in the Discovery and Application of God's truth in every area of life.

Words of Welcome

Welcome as we gather for festive worship, imagining what it would be like to see Jesus transfigured before us. This is an early glimpse of Easter, before the road to the cross.

With Peter, James and John, I pray to catch sight of your glory today, Jesus.
Open my heart. Amen.

Over the Edge

In Iceland, a country filled with many spectacular waterfalls, Godafoss stands out. Water plunges from 40 feet high, across a width of almost 100 feet.

The story behind that natural wonder's name is impressive, as well. In the year 1000, a handful of Iceland's leaders chose to follow Christianity rather than paganism, setting the course for the entire nation. When a former pagan priest converted to Christianity, he chucked his idols into the waterfall. Civil war was averted, and the waterfall came to be known as Godafoss, or "waterfall of the gods."

Be a Disciple

A girl returning home from Sunday school expressed disappointment with the class's reaction after the day's lesson.

"We were taught to go into all the world and make disciples of all nations," she said, "but we just sat!"

One Wish

A man walking along a California beach was deep in prayer. All of a sudden he said out loud, "Lord, grant me one wish." Suddenly the sky clouded above his head, and in a booming voice the Lord said, "Because you have TRIED to be faithful to me in all ways, I will grant you one wish." The man said, "Build a bridge to Hawaii so I can drive over anytime I want to."

The Lord said, "Your request is very materialistic. Think of the logistics of that kind of undertaking. The supports required to reach the bottom of the Pacific! The concrete and steel it would take! I can do it, but it is hard for me to justify your desire for worldly things. Take a little more time and think of another wish, a wish you think would honor and glorify me."

The man thought about it for a long time. Finally he said, "Lord, I wish that I could understand women. I want to know how they feel inside, what they are thinking when they give me the silent treatment, why they cry, what they mean when they say 'nothing,' and how I can make a woman truly happy."

After a few minutes God said, "You want two or four lanes on that bridge?"
