

About Living Well Church

We believe God is the source of life and all truth, and that we were lovingly created to live in relationship with him through Jesus. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental, and relational. We believe that all truth is God's truth, and value relationships with all people including Agnostics, Atheists, adherents of non-Christian faiths, and followers of Jesus. We believe the church is people, not property. Currently we meet in a mini-mall in downtown Dixon, Illinois and have an active online community. We started September 11th 2005 in a hotel conference room, then moved to a movie theater for about 3-1/2 years. We have been in our current location for the last 5 years. We do not claim the space we meet in as "ours" or "sacred", but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and toward discovery of the joy in being a catalyst of His help and healing in the lives of others.

What we do: Lead in the discovery and application of God's truth for every area of life.

Celebrate Family Day 2015

Well, another Celebrate Family Day picnic is in the books. Was it just me or did it look like this was the biggest turnout yet? Lots of fun games, great food, and good conversation with friends and family was the order of the day. Don't know about you but I am already looking forward to next year.

“Be prepared for God to direct you to something you do not like, and teach you to like it!”

—J.I. Packer

Message From Mary Smith

Mary would like to extend her sincere, heartfelt thanks to all who have helped her in any way during her recent infirmity. For those who provided meals, she stated that the meals were delicious. As our District Leaders have stated, we are better together. Part of being together is helping our fellow brothers and sisters in Christ when they have a need. Thanks for being a living example of how being better together works.

Next Week's Sermon

Treasure on earth is great. But are you building up eternal treasure, treasure in Heaven? Join us next week as Nathan Rodehaver brings us a message on storing up treasure in God's Kingdom.

Blessings or Burdens?

Interruptions can be viewed as sources of irritation or opportunities for service, as moments lost or experience gained, as time wasted or horizons widened. They can annoy us or enrich us, get under our skin or give us a shot in the arm, monopolize our minutes or spice our schedules — depending on our attitude toward them.

—William Arthur Ward

Grandparents are Great!

“What a bargain grandchildren are,” said comedy writer Gene Perret. “I give them my loose change, and they give me a million dollars' worth of pleasure.”

When it comes to family heritage, grandparents are worth their weight in gold. They serve as storehouses of history and wisdom, helping children see how they fit into a family's legacy. Christian grandparents also provide a faith heritage that passes from generation to generation.

The apostle Paul acknowledged this important role of family elders when he wrote to young Timothy: “I am reminded of your sincere faith, a faith that lived first in your grandmother Lois and your mother Eunice and now, I am sure, lives in you” (2 Timothy 1:5, NRSV).

TODAY IS NATIONAL GRANDPARENTS DAY!
