

We believe God is the source of life and all truth, and that we were lovingly created to live in relationship with him through Jesus. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental, and relational. We believe that all truth is God's truth, and value relationships with all people including Agnostics, Atheists, adherents of non-Christian faiths, and followers of Jesus. We believe the church is people, not property. Currently we meet in a mini-mall in downtown Dixon, Illinois and have an active online community. We started September 11th 2005 in a hotel conference room, then moved to a movie theater for about 3-1/2 years. We have been in our current location for the last 5 years. We do not claim the space we meet in as "ours" or "sacred", but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and toward discovery of the joy in being a catalyst of His help and healing in the lives of others.

**What we do:** Lead in the discovery and application of God's truth in every area of life.

## Next Sermon Series

4

November 15th we start our next sermon series. It will be a 3 week series on prayer titled “Listening for the Resonance”. For the sermon titles see the On the Sermon Horizon section on page 5.

### Adult Small Group

We only have 2 more weeks left of The Upward Call small group Bill Young has been leading. Then, on November 22nd Bill or Pastor John will start leading a 6 week study based on the book “not a fan” by Kyle Idleman. That leaves plenty of time to get your copy of the book.

### A Sacrifice of Praise

When Joni Eareckson Tada was first paralyzed, she had a tough time offering God “a sacrifice of praise” (Hebrews 13:15). As Tada recounts in A Quiet Place in a Crazy World (Multnomah), she was resentful and couldn’t “understand how a good God could allow something like my accident to happen to one of his children.”

But when a hospital visitor read aloud 1 Thessalonians 5:18, which says to give thanks in all circumstances, he offered Tada a challenge: “It’s about time you got around to giving thanks in that wheelchair of yours.” She said that wouldn’t feel spontaneous or genuine, given her current condition. But the friend assured her she didn’t need to feel great — or even grateful — to be grateful.

Eventually, “God rewarded me with the feeling of gratitude for having obeyed and ‘given thanks,’” Tada writes. “Praise came more easily after I saw the effects of such a sacrifice.”

### Thanksgiving Offering for WEF Sunday November 22nd

The Church of the Nazarene’s annual Thank Offering for the World Evangelism Fund has been a denominational tradition for more than 75 years. Every year we look back and remember what God has done. Out of thankfulness, we give back to God. This year’s World Evangelism Fund Thank Offering celebrates how our time, prayers, and donations help spread the gospel. Through language schools, church plants, mission hospitals, and many other ministries, God uses our gifts to do amazing things. For more information visit <http://nmi.nazarene.org/10103/story.html>
