

We believe God is the source of life and all truth, and that we were lovingly created to live in relationship with him through Jesus. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental, and relational. We believe that all truth is God's truth, and value relationships with all people including Agnostics, Atheists, adherents of non-Christian faiths, and followers of Jesus. We believe the church is people, not property. Currently we meet in a mini-mall in downtown Dixon, Illinois and have an active online community. We started September 11th 2005 in a hotel conference room, then moved to a movie theater for about 3-1/2 years. We have been in our current location for the last 6 years. We do not claim the space we meet in as "ours" or "sacred", but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and toward discovery of the joy in being a catalyst of His help and healing in the lives of others.

**What we do:** Lead in the discovery and application of God's truth in every area of life.

The symbol of salvation is composed of the Greek letters tau (T) and rho (P). It was first used in ancient New Testament manuscripts as an abbreviation for the Greek word for "cross." The symbol also seems to visually represent Jesus on the cross.

Another District Assembly is in the books of history. This year was the 68th annual Assembly of the Northwestern Illinois District of the Church of the Nazarene. This year's theme was "Dream Dreams". Living Well Church was represented at Assembly by Pastor John, Ella Mahnke, Jay and Danielle Valdez, Mark and Pam Ellis. Our Delegate, Jay Valdez, filled the important role of voting for various elected District positions. Mark Ellis was the photographer for the District. Our District Superintendent, Scott Sherwood, gave a speech casting the District's vision for the next year. We also got to hear our General Superintendent, Dr. Gustavo Crocker, who spoke on the opening day and gave a sermon to close out the Assembly. Both Reverend Sherwood and Dr. Crocker spoke on Discipling. Being a Christ-like disciple and in turn making disciples is an important sign of a healthy church. They are both great speakers and are very inspiring. If you get the chance to go next year I am sure you will enjoy it. Seeing all of the people from other churches on our District is a great reminder that Living Well is a small part of a larger District family. Take a second out of your time this morning to thank Jay for representing Living Well as our delegate and ask him about his experience this weekend.

In [the] healing texts, Jesus does not just cure people's diseases and cast out their demons and then say, "Mission accomplished." He's always after something more than that because the healing is never fully accomplished until there is a restoration to community. People are healed of disease, and then he tells the folks just standing around watching to go get them something to eat. The widow's son is raised from the dead and then [Jesus] gives him back to his mother. And ... the man healed of demons is then told to stay with his people and speak of what God has done. In the Jesus business, community is always a part of healing. Even though community is never perfect.
