

We believe God is the source of life and all truth and that we were lovingly created to live in relationship with Him. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental and relational. We believe that all truth is God's truth and value relationships with all people including Agnostics, Atheists, adherents of non Christian faiths and followers of Jesus. We believe the church is people not property. Currently we meet in the former Ames Furniture Building downtown Dixon IL., and have an active online community. We started Sept .11th 2005 in a hotel conference room, have held services in a movie theater, a cafe and have now moved to our current location in June of 2016. We do not claim the space we meet in as "ours" or "sacred" but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and to experiencing the joy of being a catalyst of His help and healing in the lives of others.

What we do: Living Well Church exists to lead in the discovery and application of God's truth for every area of life. Seeking to live out the value God places on relationships in practical ways, we provide our community space for life skills training, relationship building and fun.

Known as the “queen of gospel song writers,” Fanny Crosby (1820-1915) wrote more than 9,000 Christian hymns, including “Blessed Assurance” and “Safe in the Arms of Jesus.” Blind from a young age, she developed a love for poetry and Scripture, memorizing about five chapters of the Bible each week. Crosby was the first woman to speak in the U.S. Senate, lobbying to support education for the blind. She also was an abolitionist who made friends with several presidents.

A well-meaning pastor once told Crosby, “It is a great pity that the Master did not give you sight when he showered so many other gifts upon you.”

She responded that her blindness was a blessing she wouldn’t wish away. “When I get to heaven,” Crosby said, “the first face that shall ever gladden my sight will be that of my Savior.”

Does your life really matter?

You Matter More Than You Think - Leslie Parrott

At any given time, women may be asking, “Does my life really matter?” Maybe you are stuck at a job that is not rewarding. Maybe you're with your kids all day and feel trapped in a routine. Maybe you're going through a divorce and trying to find your identity.

Many women are afraid to open up and share their struggles because we look around and think that everyone else has it all together.

Jeanette Trotter invites women to join in this study as Leslie Parrott shares about her insecurities despite being a best-selling author, wife and mother of two sons. Leslie's on-screen teaching, the testimonies of other women plus the Bible study combine to communicate to women that even in the darkest of moments in life, YOUR LIFE REALLY DOES MATTER.

Study begins September 28th at 6:30pm in the Living Well Community Room. Please let Jeanette know if you would like to purchase a companion workbook material (download) so she can place the order. The downloaded workbooks are \$5.50 each.
