

We believe God is the source of life and all truth and that we were lovingly created to live in relationship with Him. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental and relational. We believe that all truth is God's truth and value relationships with all people including Agnostics, Atheists, adherents of non Christian faiths and followers of Jesus. We believe the church is people not property. Currently we meet in the former Ames Furniture Building downtown Dixon IL., and have an active online community. We started Sept .11th 2005 in a hotel conference room, have held services in a movie theater, a cafe and have now moved to our current location in June of 2016. We do not claim the space we meet in as "ours" or "sacred" but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and to experiencing the joy of being a catalyst of His help and healing in the lives of others.

What we do: Living Well Church exists to lead in the discovery and application of God's truth for every area of life. Seeking to live out the value God places on relationships in practical ways, we provide our community space for life skills training, relationship building and fun.
