

About Living Well Church

We believe God is the source of life and all truth and that we were lovingly created to live in relationship with Him. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental and relational. We believe that all truth is God's truth and value relationships with all people including Agnostics, Atheists, adherents of non Christian faiths and followers of Jesus. We believe the church is people not property. Currently we meet in the former Ames Furniture Building downtown Dixon IL., and have an active online community. We started Sept .11th 2005 in a hotel conference room, have held services in a movie theater, a cafe and have now moved to our current location in June of 2016. We do not claim the space we meet in as "ours" or "sacred" but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and to experiencing the joy of being a catalyst of His help and healing in the lives of others.

What we do: Living Well Church exists to lead in the discovery and application of God's truth for every area of life. Seeking to live out the value God places on relationships in practical ways, we provide our community space for life skills training, relationship building and fun.

A Great Fit

A caller to Christian radio station KLOVE spoke of the amazing way God restored her struggling marriage. On the weekend that she and her husband separated, they each attended different services on different days at their large, multi-campus church.

For an object lesson, the pastor had purchased three 1,500-piece puzzles and given one piece to each worshiper that weekend. The woman took hers home and placed it on her dresser.

That Sunday, the husband stopped by the house to do yard work. When the woman walked by her dresser, she noticed that another puzzle piece was attached to hers — and it fit. It was the piece her husband had received at church.

The woman said that was a loud sign from God that she and her husband “fit” together and would be okay. Life and marriage aren't always perfect, but she framed the puzzle pieces “as a constant reminder to our covenant to each other” and to God's promises.

4 Minister to Families with Children

Living Well is please to announce that **Rev. Renee Kindle** has joined our church staff as **Minister to Families with Children**. God has blessed our church with children and excellent experienced leadership!

Pastor Renee will lead our ministry to Families with Children as follows:

- 1) **We will strive to assist parents in “Training children in the way they should go.” Proverbs 22:6.** We recognize that the religious training of children is primarily the responsibility of their parents; therefore we will work to provide parents with needed resources to teach their children.
- 2) **We will strive to provide a curriculum that will help our children to have the Biblical foundation and understanding that will help them make wise choices and early accept Christ as Lord and Savior. (Deuteronomy 6)** We will have organized teaching goals. Our teaching will give children an understanding of the stories and teaching of the entire Bible. We will also provide opportunities for children and parents to learn together. Our lessons will also include discipleship training and the work of the Church of the Nazarene around the world.
- 3) **We will strive to prepare children to assume leadership of the church whenever possible.** Our church is only as strong as the leadership team and the teams reliance of the guidance of the Holy Spirit, therefore we will provide them the opportunity to serve others, the opportunity to minister in the community, the opportunity to serve the body of believers. We will teach them about having devotions, giving to the church, prayer and the use of their Bibles.
- 4) **We will use NazSafe guidelines to keep our children safe while in our care.** This includes safe facilities, carefully screened workers and a clear communication structure between the church and the parents.
