

## About Living Well Church

We believe God is the source of life and all truth and that we were lovingly created to live in relationship with Him. We believe the Bible is the Word of God and offers help and healing to people in every area of life including the spiritual, physical, emotional, mental and relational. We believe that all truth is God's truth and value relationships with all people including Agnostics, Atheists, adherents of non Christian faiths and followers of Jesus. We believe the church is people not property. Currently we meet in the former Ames Furniture Building downtown Dixon IL., and have an active online community. We started Sept .11th 2005 in a hotel conference room, have held services in a movie theater, a cafe and have now moved to our current location in June of 2016. We do not claim the space we meet in as "ours" or "sacred" but rather see it as a neutral place we share with our community. We encourage you toward the life changing power of knowing Jesus and to experiencing the joy of being a catalyst of His help and healing in the lives of others.

What we do: Living Well Church exists to lead in the discovery and application of God's truth for every area of life. Seeking to live out the value God places on relationships in practical ways, we provide our community space for life skills training, relationship building and fun.

## A Church or a Club?

Rev. Theodore Wedel, a former canon of the National Cathedral, once told a parable about congregational life. It began: "On a dangerous sea coast where shipwrecks often occur, there was a crude little life-saving station. The building was just a hut, and there was only one boat, but the few devoted members kept a constant watch over the sea."

Some neighbors and people who'd been rescued began donating time and money, thinking the station needed better furnishings and equipment. As the station grew as a gathering place, members hired lifeboat crews to do the dirty work of saving lives. Those who disagreed with that approach broke away to form their own stations.

The parable concluded: "If you visit that sea coast today, you will find a number of exclusive clubs along that shore. Shipwrecks are frequent in those waters, but most of the people drown."

### Leaking Sins

[One of the Desert Fathers stories tells of a man who] committed a serious sin. The council called a meeting and requested the Teacher attend [to help judge the man]. When he refused to come, they sent a delegation telling him the matter was most urgent. "Since you insist," he said, "I will come in about 30 minutes."

When he arrived at the meeting of the council, the Teacher entered the room carrying a leaking jug on his back, filled with water. The members of the council asked, "What is this?"

"All day long," the Teacher replied, "my sins run out behind me, and I am unaware of them. Yet despite my blindness to my own sin, today I am asked to judge the error of another."

When they heard the words of the Teacher, they forgave the man who had sinned, and said no more.
